**Cardiologist Jorge Davidenko, M.D.
Joins CRMC Medical Staff**

Cortland Regional Medical Center is pleased to welcome Dr. Jorge M. Davidenko, Cardiology, to its Medical Staff. Dr. Davidenko specializes in the diagnosis and treatment of a wide variety of heart conditions, including hypertension, congestive heart failure, and coronary artery disease. He is an expert in the area of cardiac rhythm disorders and in the use of medical imaging to detect heart disease.

Board Certified in both Cardiovascular Disease and Internal Medicine, Dr. Davidenko brings over 25 years of experience to the Cortland community. Originally from Argentina, he completed his advanced medical training at SUNY-Upstate Medical University in Syracuse, highlighted by a three-year fellowship in Cardiology. Dr. Davidenko has served as director of electrocardiography for St. Joseph's Hospital Health Center and on the faculty of the SUNY Upstate Medical University. During his career Dr. Davidenko has written extensively on cardiac arrhythmia having contributed over 50 publications to peer review journals.

Dr. Davidenko is now accepting new patients at his office located in Cortland Regional Medical Center (134 Homer Avenue). Appointments can be made by calling 756-3561.
