**Otolaryngologist Manoj K. Kumar, M.D.
Joins CRMC Medical Staff**

Cortland Regional Medical Center is pleased to welcome Dr. Manoj Kumar, Otolaryngology, to its Medical Staff. Dr. Kumar specializes in the medical and surgical treatment of disorders related to the ears, nose, and throat. He is now accepting new patients at his office located at 1095 Commons Avenue in Cortland. Appointments can be made with Dr. Kumar by calling 756-8075.

Dr. Kumar arrived in Cortland after recently completing a clinical fellowship in Sleep Surgery at the Medical College of Georgia (Atlanta). Prior to that he trained extensively in the United Kingdom, completing his residency in Otolaryngology at Wales University Hospital and a residency in Surgery at West Middlesex University Hospital. During this time Dr. Kumar conducted extensive research and contributed numerous articles to medical journals. His particular interest in middle ear disorders led to a traveling fellowship and visit to Columbia University (New York City) to study the mechanics of the middle ear, as well as receiving a grant from the University of Bristol (UK) to carry out middle ear research.

Originally from India, Dr. Kumar earned his medical degree from Calicut University. He went on to receive a master of surgery degree in Otolaryngology at Mysore University before moving to the United Kingdom.

Dr. Kumar now makes his home in Syracuse with his wife Seenaa, a pathologist, and their son Akshay.
